Dated, the 20 February, 2020

Dear Gs. Pooja Saxena,

This is to certify that **Institution for Disasters, Emergency & Accidents (IDEA)** conducted a Training of Trainers session on “**Pandemic Preparedness for the Novel Corona Virus**” for National Disaster Response Force (NDRF) at Regional Response Centre, 5th BN NDRF, Andheri, Mumbai and Head Quarter-5th BN NDRF, Sudumbare, Pune on 29/01/2020 and 11/02/2020 respectively. In the above training of trainers session, total 166 NDRF First Responders are trained, who are responsible to further assist Airport Authority in screening of inbound passengers at International Airports like Mumbai and Pune.

The Training has been conducted in an interactive manner and professional approach by the faculty. Therefore, I would like to thank the **Institution for Disasters, Emergency & Accidents (IDEA)** for giving their valuable time and to support for building the capacity of the NDRF personnel at such a consequential time. This timely education about the Novel Corona Virus would definitely help us to find out the spreading virus at right time which is speedily threatening lives world over in present time.

With warm wishes,

Yours Sincerely,

(Anupam Srivastava)
